## Membership Application

Name \_\_\_\_\_  
Mailing address \_\_\_\_\_  
Phone Number (optional) \_\_\_\_\_  
E-mail \_\_\_\_\_  
Permission to give e-mail address to FMCBC (Y/N ) \_\_\_\_\_

Membership is \$30/annum and renewed on a calendar year basis. Of the \$25, \$15 is for an individual membership in the Federation of Mountain Clubs of BC (FMCBC), necessary to obtain liability insurance for each member which costs \$6 in addition to the \$15. Also \$5 of the membership fee is applied towards an annual \$500 Caledonia student scholarship.

FMCBC requires an address for each member, and MRBS needs an e-mail address for communicating with its members which is not distributed to others.

FMCBC publishes the magazine Cloudburst which is mailed to members. They would like to distribute it electronically, but will mail it where there is no permission to use an e-mail address.

MRBS operates one backcountry cabin, Larsen. Cabin fees are \$25/night per person. The cabin fees offset cabin maintenance; the largest expense being helicopter time to fly in firewood.
